ADDENDUM TO APPLICATION

Comes Kingsport Power Company (American Electric Power) and for the purpose of clarifying the Application, provides the following Addendum:

While Kingsport seeks approval for a total amount of \$50,000,000 in financing authorization, \$40,000,000 of that is for the purpose of two potential refundings of existing outstanding long-term indebtedness. The remaining \$10,000,000 is not presently contemplated, but would be for other general corporate purposes. Under no circumstances would Kingsport issue more than \$10,000,000 of new indebtedness without further authorization from the Tennessee Regulatory Authority.
